I, \_\_\_\_\_ agree to participate in the 2010 "Circus Dreams on Ice" Show hosted by the RMFSC. I understand that in order for the show to be successful, I will participate in and show up on time to all required off-ice and on-ice practices, including dress rehearsal. I will fully cooperate with the assigned choreographer, the show director and respect my peers and RMFSC members regarding all aspects of the show. I understand that I cannot make changes to the appearance of my costume once I have received it. I understand that if I choose to cancel my participation in the ice show, I will not be refunded the application fees or any associated costume fees. As a parent of an ice show participant, I understand that I will be required to volunteer.

# ICE SHOW COSTUME MEASUREMENTS

## LEARN TO SKATE

The example below shows how to measure for the skater's costume. Please be as accurate as possible. It is very helpful to include the skater's age and clothing size. We will allow for growing! Thank you for your help. We are looking forward to another great show.

1. Torso: From front shoulder round the crotch to back shoulder
2. Chest: Measure at the fullest portion of chest
3. Waist: Taken around the natural waistline just below your belly button.
4. Hips: At the fullest portion of the hip area.
