** All Basic Skills Competition Series awards will be given at this site **

MISSION STATEMENT: Give Colorado skaters a chance to develop their USFS Basic Skills in a fun, competitive environment.

AWARDS: During the competition season, skaters will have the chance to compete at eight different arenas and earn points for a final standing. *Trophies will be awarded at the conclusion of the CSI Basic Skills competition to the skaters with the highest point totals who compete in at least FOUR of the EIGHT scheduled competitions.*

Free skate and Elements/Compulsory Program Series Point System

A skater must enter **BOTH** Free skating **AND** the Compulsory/Elements event in each of at least four of the eight registered Series Basic Skills Competitions to be eligible for accumulating points. Each event will have a maximum of six skaters. **Both youth and adults may accumulate points!**

The system for scoring points for the trophies will be as follows:

1 st place	6 points
2 nd place	5 points
3 rd place	4 points
4 th place	3 points
5 th place	2 points
6 th place	1 point

** A skater will earn three points toward their overall standing each time the skaters enters a level that is higher than the level competed in at the previous competition throughout the duration of the series. In order to keep the extra three points he/she must compete in that level or higher in all subsequent competitions. The points for skaters moving up will be awarded each time the skater competes at a level higher than in their previous competition.*

In the event that there is only one skater in an event, the skater will have the choice to skate alone OR move up a level to compete against other skaters. In this case, those skaters will be allowed to move back to their original level to compete at the next competition.

If an event has 2-6 skaters, the points will be awarded as if there were six skaters in the group. If there is only one skater in the group, that skater will be awarded three points.

In case of a tie, the total number of skaters that the competitor has skated against throughout the series will be the tie breaker.

All points follow the skater throughout the series, so if a skater moves up to higher levels, the points follow the skater. Once a skater moves up a level, they may not compete at a lower level unless they moved up as a result of having no other skaters in their group.

Trophies will be awarded 1-3 place in each level from Snowplow Sam through Free skate 6. The trophies will be awarded to the skaters at their level as of the last competition in the series.

Please note: Spin, Dance, Pair, Theater on Ice, Synchronized team, and Showcase events will not be counted in the final standings. No-Test to Preliminary and Test Track Limited Beginner –

Preliminary events will not be counted in the Free skate and Elements/Compulsory Program series.

Rules and Format:

COMPETITION ANNOUNCEMENT

The **U.S. Figure Skating Skate Colorado Basic Skills Competition Series** is sponsored equally by the eight participating ice rinks and/or USFS member clubs. Competition packages will be available at all participating ice rinks and/or via the club or rink websites. Each competition will have its own entry forms and specific rules so please make sure to read the entire announcement for each competition.

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Basic Skills Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Basic Skills Program/Club or any other Basic Skills Program/Club.

Eligibility will be based on skill level as of closing date of entries. All SNOWFLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8 are eligible to skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances.

For Free skate 1-6, eligibility will be based only upon highest free skate test level passed (MIF test level will not determine skater's competitive level). All FREE SKATE 1-6 SKATERS are eligible to skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition

It is very important to the success of the series that skaters are placed in the correct divisions. If, for whatever reason, the local organizing committee discovers that a skater has been placed in a category that is below their class level, the chair and referee will have the option to move the skater to the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.
