

## Election Questions

### **Vote for 2 open board of director positions (3 year term)**

#### **Sara Kihn**

*My name is Sara Kihn and I am interested in continuing to serve on the RMFSC Board of Directors. I have been a member of RMFSC for the past 7 years since my daughter Morgan started skating. I have been the Test Chairperson for our club for the past 2 years, and was appointed to an open position on the Board in July of 2009. As the Test Chair, my key responsibilities include: coordinating the test schedules, securing officials to judge at the test sessions, submitting test results directly to USFSA, and tracking testing history for all club skaters. I recently had the amazing opportunity to attend the 2010 US Figure Skating Governing Council in Costa Mesa, California as a representative of RMFSC.*

*In the past, I have been extensively involved in Hyland Hills Hockey Association/USA Hockey as team manager for a number of my son's hockey teams including at the AA level. I am a Colorado native, and have been employed by The Children's Hospital as a registered nurse for the past 18 years. I live in Broomfield with my husband Brian, 15-year-old son Evan, and 12-year-old skater Morgan (oops, almost forgot our 1 ½-year-old Bernese Mountain Dog, Bodhi). Thank you in advance for your consideration.*

#### **Crystal Callipari**

*Crystal Callipari has been actively involved in figure skating since her daughter, Annabella, took her first Snow Plow Sam class from Gigi Siegert-Chatman almost 7 years ago at the age of 4. Annabella still trains with Gigi at the Promenade on an almost daily basis, enters most of the skating competitions throughout Colorado and frequently participates in ice shows. As an active member of the Rocky Mountain Figure Skating Club since 2004, Annabella has progressed to the Preliminary level. Crystal has lived in Colorado for over 13 years with her husband of 17 years. She recently became a real estate broker after years of residential real estate investing and home renovating. She also has a son in middle school who has a black belt in martial arts and is an assistant instructor at his martial arts school. In her free time, Crystal loves to entertain and travel with her family.*

#### **Jennifer Mahoney**

*Hi. I am Jennifer Mahoney and am very interested in serving as a member of the RMFSC Board of Directors. My daughter Madison and I have been a part of RMFSC for nearly 5 years and have enjoyed participating in the club activities. I am a meteorologist and work for the National Oceanic and Atmospheric Administration. My husband Bill, my older daughter Alex, Madison, and I (along with our dog Koko) live in Louisville. I have previously served on the Board of Directors for the Commerce Children's Center, and was involved for 2 years in supporting the LaFuria Synchronized Icing Skating Team. I would like to use my experience and serve on the RMFSC Board to support the organization that has provided great opportunities for my daughter and the sport of ice skating.*

*Hello my fellow Figure Skating enthusiasts!!! My name is Dan Rudnicki, and I would love to represent RMFSC as the Synchronized Skating Representative. I have been a figure skater my entire life, and have represented RMFSC as a youth competitor and as an adult competitor. I have earned numerous medals for RMFSC at the local, regional, sectional, and recently, the national level as a Master's synchronized skater. I was a professional figure skater with Disney on Ice for 6 years, and am currently finishing my PhD at the University of Colorado at Boulder in Synthetic Organic Chemistry. My passions aside from figure skating are my work and my young son. I am currently attempting to commercialize a cancer therapeutic that I patented during my graduate career, and be a caring, engaged father. As a previous board member, I have co-chaired a regional synchronized skating competition held at our home arena and the Broomfield Events Center, and been lucky enough to represent the club at governing council. I appreciate your consideration!!!*
