

HATE FUNDRAISING?

These 3 Easy Steps May Change Your Mind...

With every retail purchase you make, you can raise money for your school or program. No need to spend anything extra, just buy what you normally buy – including gas, groceries and eating out at restaurants. Now, keep your receipt handy...

With your mobile phone, 'snap' a clear photo of your receipt. Then, text the snapped photo to 343-434 with the word 'snap' in the body of the text (that is a vital step!). That's it! Every snapped receipt earns your school or program money.

Here's how the money is earned - SnapBOOSTER™ helps participating retailers win new and repeat customers. They pay a fee for each receipt that is snapped. SnapBOOSTER™ forwards half of that fee to your good causes. Every snapped receipt earns money for the school or program account you choose.

YOU CAN REGISTER RIGHT NOW!

Text the word 'Earn' to 343-434
